FAMILY SUPPORT WORKER

Information and Advice

For Parents, Carers
And Families

Michelle Wilkinson
Family Support Worker

I would like to introduce myself to you in my new role as Family Support Worker at All Saints Academy.

My new role is mainly to support you and your child to get the very best from school by providing non-judgemental support, advice and information.

I hope to be able to help you with any worries you may have in relation to your child's education, behaviour or attendance and provide support on how best to deal with it.

I am very new to this role but I will do all I can to provide the help and support you need. If I don't have a solution straight away I will do my very best to find one. I am able to support and help you in the following ways:

- Provide information about school matters
- Help talk to your child's Teacher about any concerns
- Help to access information about difficulties you may be having such as: money worries, relationships, health etc.
- Offer a home visit
- Finding other services to help
- Parenting groups and courses
- Giving support through transition stages – e.g. moving classes or Schools.

I will usually be out on the playground every morning from 8.30 so please feel free to come along and say hello and have a chat.

I will be starting a drop in session following the Easter holidays and I hope you will come along for a cuppa and chat and meet other parents.

I am here to help. Give me a ring or pop in for an informal chat.
