Dear Parents / Carers,

The issue of parking cars around school has reached an unacceptable level. School office staff are receiving complaints on a daily basis from parents who are complaining that they are unable to walk on the pavement. We have also had a number of incidents where children have almost been hit by cars due to the unreasonable and inconsiderate parking of other parents.

The police have once again been contacted and are taking the school's concerns extremely seriously. They have advised us to start taking car registration numbers of the cars who are parking dangerously. We also have an incident number which we have been asked to pass on to parents who want to report the anti-social behaviour relating to parking.

If you would like to make a report please request the crime number from the school office. The more people who report these dangerous actions the sooner we can resolve the matter.

Please remember that we wish **every** child to keep safe, whether it be in school or outside of school hours.

Yours sincerely,

Mr Walls
Head teacher
