

# CHRISTMAS

## SHOE BOX APPEAL

This year we are supporting the Shoe Box appeal alongside Thornhill House. We hope to provide around 200 boxes to give a Christmas gift to an elderly person who has to spend Christmas in hospital, many of whom have no family of their own.

We hope you can help by donating a decorated shoe box containing suitable items for an elderly person (**not to include chocolate please**).

Alternatively, just send in items which school and Thornhill House will then use to make up the boxes.

We will need to receive all boxes and items by **FRIDAY 29th NOVEMBER**.

Here are just a few items which would be suitable: warm gloves ,scarves, handkerchiefs, soap, toothpaste ,toothbrush, comb, hairbrush, note book, pens, basic toiletries, sweets, plain biscuits (just to name a few).

We hope you will support this wonderful appeal – it will help to put a smile on the face of someone less fortunate than ourselves when they receive this gift at Christmas.

Many thanks
