

# Wear Pink Day 2016 - Thursday 20th October

As you are all aware this charity is really close to our hearts as many of the staff and families at All Saints Academy have been affected by this terrible illness either directly, or through their family members.

This year on our Wear Pink Day all the staff and children are asked **to wear something "PINK" for the day and to bring £1** to donate to this fabulous charity so that we will **BE PART OF THE CURE**. This is to raise money to support the Breast Cancer Campaign who fund some of the world's most innovative breast cancer research projects.

We hope you will support us by donating items for a **Bun and Cake sale** – as many pink items as possible please. Children will be able to buy at break times so please make sure they bring some bun money!

There will also be a **raffle**...so get your ticket money ready!

To help raise even more money for this wonderful charity we would like to do something a little bit different and give you the chance to 'Bag a Bargain.'

We will be collecting '**Nearly new**' clothes for a **Bring and Buy sale**. To make this a success we would once again ask for your support in going through your drawers and wardrobes to find those items of clothes (adult and children's) that aren't worn anymore but are still in a good condition and clean.

The Great Bring and Buy Extravaganza is only open to parents and will be held in the school hall from 2:30 – 3:20 on the 20<sup>th</sup> October. Help us **BE PART OF THE CURE**.

Mr Walls
