Positive Comments

- Brilliant to go over everything. Will be doing things differently at home where youtube and my girls are concerned.
- It was really useful and helpful. A good idea.
- I found the information useful
- Informative session – good refresher for parents who attended previously. Good to know what the children are taught in school too.
- Very informative.
- As informative as ever.
- Informative session that should be mandatory for all parents as social media is a big part of today's society.
