

## Wear Pink Day 2017 - Friday 20th October

As you are all aware this charity is really close to our hearts. Many of the staff and families at All Saints Academy have been affected by this terrible illness either directly, or through their family members.

This year on our annual **Wear Pink Day** all the staff and children are asked to wear something "PINK" for the day and to bring a suggested donation of **£1** to donate to this fabulous charity so that we will **BE PART OF THE CURE**. This is to raise money to support the Breast Cancer Campaign which funds some of the world's most innovative breast cancer research projects.

**We hope you will support us firstly by donating buns and cakes and then by attending our Think Pink Coffee Morning on Friday 20<sup>th</sup> October in the school hall. We suggest a donation of at least £1.** Children will be able to buy at break times so please make sure they bring some bun money!

There will also be a raffle...so get your ticket money ready!

To help raise even more money for this wonderful charity **we will be selling Pink Ribbons with attached hearts on which the name of a loved one or a positive message can be written**. These cost a minimum donation of £1 and will be attached to the school fence in what we hope will be a very visible message of support.

**For just 50p children can enter a competition to fill an envelope with as many pink items as possible.**

Please help us raise as much money as possible. **BE PART OF THE CURE.**

On behalf of everyone at All Saints, thank you for your donation and support.

Mr Walls
