For each challenge a bigger ball will be easier and a small ball will be harder. You can choose how hard you can make it for yourself!

Activity: In one minute see how many times you can keep the object in the air. You can keep it up using any part(s) of your body e.g hands, feet or knees etc.

Scoring: You get a point for every keepie uppie you do in the minute. Once the ball (object) touches the floor please start from zero. Please only submit your highest score.

SEND adaptations: If you are seated you can use your hands and / or knees to keep the object in the air.

Competition 3: Rugby Challenge

Activity: This is a target challenge throwing your ball from different distances (markers) at a piece of paper on a wall at shoulder height. Marker 1 is 2 strides away, marker 2 is 3 strides and marker 3 is 4 strides. Participants have eight attempts (four facing one way and four facing the opposite way) to hit the target and they can choose where they want to take their pass from out of the three markers.

Scoring: Closest marker = 1 point for a hit, 2nd marker = 2 points for a hit and furthest marker = 3 points for a hit. You then total your score out of your 8 passes. Maximum score is 24.
